

Supplier Information Session

Metz Solar Farm

Beon Energy Solutions, invites Businesses in Armidale and surrounding areas to come and learn about the opportunities available to become a supplier to the Metz Solar Farm, commencing construction in April 2021.

The project is seeking suppliers of a range of services from fencing, electrical & plumbing services, construction and waste management to mechanical support, transport, and cleaning service.

This is for businesses only. There will be a separate session at another date to discuss employment opportunities.

Time: 6 p.m. for 6.15 p.m. to 7:15 p.m.

Date: Tuesday, March 23, 2021

Venue: Armidale City Bowling Club

92 – 96 Dumaresq St., Armidale
